Provide our services

We use your information to deliver our services, like processing the terms you search for in order to return results or helping you share content by suggesting recipients from your contacts

## CONNECT: A SIMPLE CONVERSATION GUIDE

Share your intention.

· Avoid the "pile-on."

Don't serve up a sh\*t sandwich.

Provide clarity on your topic.

Describe the situation or circumstances; be specific.

· Provide clear details as you describe the specific behaviors or

Notice without attributing motive or judgement; blame or shame.

· Describe the effect or impact on both the Receiver and others (you,

 Focus feedback on one bite (i.e., one thing). Hone in on what's most important.

situation you observed or participated in.

ONTEXT Be clear about

 Share your thoughts and emotions Describe the future behavior or situation without demanding or

- G.R.I.T. Speak to what you know. No evaluation. No assumptions. Assume best intentions.
- or Triangulation.
- resulting impact.
- Avoid Gossip, Rumor, Invendo,

  - Ask guestions that expand the conversation. Don't rush to act.
- Talk face to face. Sit down together or, at minimum, video chat. Shift from knower to learner. Talk, test, explore, learn, . Listen to and strive to understand each other's point of view.

peers, company, customers).

- Keep the connection going by planning your next conversation. Cocreate next steps and agree to a commitment. Recognize that with each positive connection you're strengthening
- · Trusted feedback gets easier and more natural with time and practice.
